

Compliance Certification for City of Mankato Fire Separation and I & I

The City of Mankato Code requires all properties to be in compliance with Section 3.31 regarding clear water discharge. It also requires the seller of a property to notify the buyer that the property is in compliance with this ordinance at the time of sale.

The City of Mankato Code Section 13.15 also requires a fire separation between the house and garage as well as under enclosed basement steps. All properties must comply at time of sale.

This document, once signed and dated by the seller, certifies compliance with both Section 3.31 and 13.15 of the City of Mankato Code for the following property.
